Apply for summer research funding through the Yale-Collaborative Action Project (Y-CAP) Award!

Eligible projects bring together students to address challenging problems affecting the health of disadvantaged populations globally, with a preference for Africa. Teams will be composed of 2-4 students and is open to both Yale undergraduates and graduate students. Individual team members are strongly encouraged to seek additional funding for the component of the project that they will be leading, as appropriate.

Info Session:
Monday, December 5, 2:30-3:30pm
CIPE (55 Whitney Ave), Room 305

For more information and to apply, please visit: [http://studentgrants.yale.edu/](http://studentgrants.yale.edu/)
Application Deadline: 03/30/2017
